

Introduction

Welcome Aboard

Archipelago Resorts & Fleet has set a new standard for liveaboard luxury cruising in Indonesia.

Designed with comfort and quality in mind, the fleet has begun operations in the newest and most sought after destination in Indonesia, for divers and photographers from around the world.

The Archipelago Adventurer II will specialize in cruises throughout the Banda Sea, becoming the first dive vessel to solely focus on the magic of this incredible region, she delivers dive and culture experiences at the forefront of the liveaboard market.

The Archipelago Adventurer I will dedicate operations to the waters of the Lembeh Strait, bringing a new level of convenience to the dive photography experience.

The Fleet operates what are the undoubtedly the most comfortable vessels in the liveaboard industry to visit the most intriguing and spectacular destinations, offering cruises for both dedicated divers and explorers alike.

Feel free to browse the new website and contact the team with any question about anything that can be seen here. Please remember to revisit frequently for updates and more from Archipelago Resorts & Fleet.
